

**38 Lombard Street  
London EC3V 9BS,  
United Kingdom**

**+44 20 7337 1390**

## Directions

### Find us by rail

*Come into London via any of the main line stations then use the London Underground services to get to Bank Station.*

We are at 38 Lombard Street, which is a secure building. Our closest tube station is Bank, with Monument a close second. Bank Station is served by the Central Line, the City Branch of the Northern Line, Waterloo & City line (the Drain) and by foot-tunnel from Monument Station which is served by both the Circle and the District Line.

### Via Bank Station

Take the Lombard Street exit, which is exit 6. Walk eastwards along Lombard Street and we are at number 38. There is a manned reception but if for any reason it is unmanned please ring our entryphone buzzer and someone will come down to collect you.

### Via Monument Station

If you exit Monument station please walk north up Gracechurch Street and Lombard Street is on the left. You can easily spot 38 Lombard Street, it has an eagle insignia hanging on the front of the business.

### Find us by car

Parking is very difficult in this area of the City and we would not recommend that you travel to us by car unless you know of any nearby parking arrangements.
